If you use multiple browser tabs, you can assign separate sound tracks to each tab. You can do this in Google Chrome by right-clicking the tab and. Q: Covert Pointer to function to function pointer How can I convert this code to C++11? void (*pfunc)(); pfunc = reinterpret_cast(myFunc); What is the workaround without old-fashioned casts? A: pfunc = reinterpret_cast(&myFunc); Also, this won't do what you want it to do: pfunc = reinterpret_cast(myFunc); Because (void (*)(int)) myFunc is not the same as (void (*)(int)) &myFunc. Image copyright Getty Images Margot Kidder believes the US government will "carefully use" the ending of the national healthcare law. The actress is one of several Democratic hopefuls being interviewed at the party's nominating convention in Philadelphia, and said the next president must be "strong but collaborative". She said losing the healthcare bill and ending the war in Iraq was an "opportunity to take a look at ourselves". The convention starts on Tuesday. 'Innocent people' With just three days remaining in the primaries, many candidates are making their first public appearance to vie for support and key delegates. They include Washington state governor Jay Inslee, governor of the US territory of Guam Douglas MacArthur IV, and retired neurosurgeon Ben Carson.
