
Euro Truck Simulator 2 - Space Paint Jobs Pack Download Now

We always try to make sure that price displayed in our comparison is assigned to the correct regions. However, some shops dont share information regarding regional locks in their product feeds and that can lead to some very occasional mistakes. Before you buy American Truck Simulator - Space Paint Jobs Pack, please check the store page for any information about activation restrictions in your region. If you notice any product assigned to incorrect region on GG.deals, contact us and we will correct the listing as soon as possible. Its a brand new project for Truck Simulator 2. You can take all the trucks into the virtual paint booth and apply any of the 18 colorful paints. Suitable for all Truck Simulator 2 players worldwide! Its easy to put on and takes only a few seconds to apply. Applying more paints on the trucks is also possible, but the in-game help also provides the different ways. It doesn't take a rocket scientist to know what a difference a good paint job can make. It may not always be easy to come up with a good painting job, but it should always be possible. With these paint jobs, you will not just look like you are driving a truck, but you will also look like you are driving a truck. Cooperation with a third-party country will drive the development of new vehicle DLC. In the case of the Ukrainian Paint Jobs DLC, the release of the truck pack will be made possible because of our cooperation with the Ukrainian Game Developer Club. SCS Software's technical and creative resources are being transferred to a leading American game developer, providing more jobs, therefore helping the entire video game industry. 5ec8ef588b
